Recycling

The City Department of Public Works will continue to pick up commingle material, newspaper, and cardboard on the regular schedule. The Lackawanna County Recycling Center is not accepting comingle materials (bottles, cans, and jars) until the coronavirus crisis subsides, but the city will continue collecting them for disposal. Residents may choose to store clean commingle material until the public health crisis subsides and the recycling center resumes normal operations.

Taxes

The Deadlines for the 2019 Earned Income Tax and Business Privilege and Mercantile Tax have been extended to July 15, 2020. No late penalties will be assessed for the period between April 15 and July 15.

2020 Census - Census Day is April 1

Every ten years the Census counts everyone living in the U.S. and it's meant to count everyone living in your home on April 1.

Why is the census so important?

The results are used to determine how much funding local communities receive for key public services like schools, health care centers, and transportation. The count also determines how many seats each state gets in Congress. State and local officials also use census counts to draw boundaries for congressional, state legislative, and school districts.

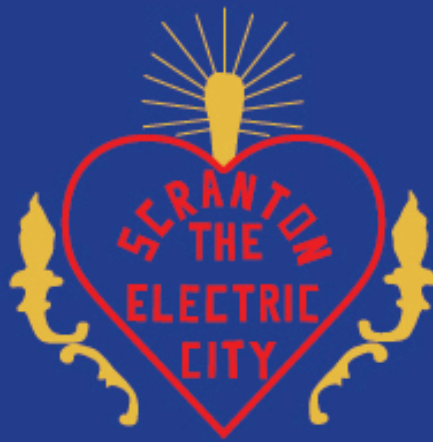

It's never been easier to respond to the census without meeting a Census Taker. Make sure your household is counted!

Respond at my2020census.gov or call 844-330-2020.
